Seq., of the Americans with Disabilities Act (“ADA”), the New York Human Rights Law (“NYCHRL”), and the New York State Human Rights Law (“NYSHRL”) and alleges:

**JURISDICTION AND PARTIES**

1. This is an action for declaratory and injunctive relief pursuant to Title III of the ADA, 42 U.S.C. § 12181, et. Seq. This Court is vested with original jurisdiction under 28 U.S.C. §1331 and §1334.
2. Venue is proper in this Court, pursuant to 28 U.S.C. §1331(B) in that all events giving rise to this lawsuit occurred in the State of New York.
3. The violative Premises and the events giving rise to this lawsuit is located at 135 East 55<sup>th</sup> Street, New York, New York 10022 (hereinafter “Premises”).

4. Venue is proper in this Court as the premises is located in the State of New York, County of New York.

5. The Defendants CRAB HOUSE INC. and 661 ASSETS LLC. are each authorized to conduct, and are conducting business within the State of New York.

6. Upon information and belief, CRAB HOUSE INC. is the lessee and/or operator of the real property, and the owner of the improvements where the Premises is located which is the subject of this action. Defendant also maintains and controls the Premises.

7. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, Defendants' Premises is a place of public accommodation in that it is an establishment which provides goods and services to the public.

8. Upon information and belief, 661 ASSETS LLC. is the owner, lessor and/or operator and managing agent of the real property where the Premises is located, which is the subject of this action, which also maintains and controls the Premises.

9. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the building and/or Premises which is the subject to this action is a public accommodation covered by the ADA and which must be in compliance therewith.

10. The remedies provided by the NYSHRL against discrimination are not exclusive and state administrative remedies need not be exhausted in connection with suits brought under the Federal Civil Rights Act.

11. At the time of Plaintiff's visit to the Premises, and prior to the instant action, Plaintiff was/is a resident in the state of New York. Plaintiff has Muscular Dystrophy which constitutes a "qualified disability" under the ADA of 1990. Plaintiff uses a wheelchair for mobility.

12. On or about April 26, 2022, Plaintiff last attempted to enter Defendant's Premises to have a seafood meal and drinks, however because of the architectural barriers at the entrances of the restaurant, steps at the main and only entrance, Plaintiff was denied full and equal access to, and full and equal enjoyment of, the facilities at Defendants' Property, which is subject to this instant litigation. When Plaintiff called, he was informed there was an elevator, but upon arrival there was no elevator, signage for an elevator or alternative entrance or method of contacting the hostess. Plaintiff looked around at neighboring stores and there was no accessible entrance to Defendants Premises. To date, Plaintiff has been unable to enter Defendants' Premises due to continuing violations. Plaintiff is often in the neighborhood and intends on promptly returning to the premises to enjoy a meal once it is accessible.

13. Defendants' violations impede upon Plaintiff's, and other similarly situated disabled individuals' right to travel free of discrimination.

**COUNT I - VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT**

14. The ADA prohibits discrimination on the basis of disability. The Act guarantees reasonable accommodations for individuals with disabilities to ensure they are not the subject of discrimination.

15. The ADA and 2004 ADA/ABA Accessibility Guidelines for Buildings and Facilities (36 CFR Part 1191, Appendices B and C) along with 28 CFR Part 36, Subpart D, the New Construction and Alterations portion of Title III (all hereinafter referred to as the "2010 Standards" or "Accessibility Standards") dictate that property owners and operators of commercial premises being used as "commercial establishments" are responsible for complying with these Federal Accessibility Standards.

16. The Plaintiff is informant and believes, and therefore alleges that the Premises has begun operations and/or undergone substantial remodeling, repairs and/or alterations since January 26, 1990.

17. Defendants have discriminated, and continue to discriminate, against the Plaintiff, and others that are similarly situated, by denying full and equal access to and full and equal enjoyment of goods, services, facilities, privileges, advantages, and/or accommodations at Defendants' Premises, in violation of these Accessibility Standards.

18. The Plaintiff has been unable to, and continues to be unable to, enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants' Premises.

19. Plaintiff visited Defendants' Premises with the intention of utilizing Defendants' facilities, but was denied access to the Premises, and therefore suffered an injury in fact. In addition, Plaintiff continues to reside in New York and will continue to desire to visit the Premises in the future, but continues to be injured in that he is unable to and continues to be discriminated against due to the architectural barriers which remain at the Premises, all in violation of the ADA, and New York State and City Human Rights Law.

20. Pursuant to the mandates of 42 U.S.C. §12134(a), On July 26, 1991, the Department of Justice, Office of Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the American with Disabilities Act Accessibility Guidelines (hereinafter "ADAAG"), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

21. The Defendants' Premises is in violation of 42 U.S.C. §12181 et. Seq., ADA and the 2010 Standards, and is discriminating against the Plaintiff as a result of inter alia the following specific violations:

- a. Failure to provide an accessible entrance at street level door, due to the steps at the entrance, and the failure to install a ramp with appropriate slope and signage, and/or otherwise provide accessible and properly designated entrance. This barrier represents an insurmountable barrier to independent entry by the Plaintiff and other individuals who use wheelchairs.
- b. Failure to provide a safe and accessible means of egress for emergencies.
- c. Failure to provide an accessible check-out/service counter.
- d. Failure to provide at least 5% of accessible tables and seating with proper knee/toe clearance.
- e. Failure to provide an accessible restroom, with accessible features.
- f. Failure to maintain isle clearance of at least 36inches throughout the Property.
- g. Failure to provide adequate directional and accurate informational signage throughout the Premises.
- h. Defendants fail to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

22. Upon information and belief, there are other current violations of, inter alia, the ADA at Defendants' Premises, and only once a full inspection is done can all said violations be identified.

23. To date, the barriers and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

24. Pursuant to ADA, 42 U.S.C. §1201 et. Seq. and the Accessibility Standards, the Defendants were required to make the Premises, a place of public accommodation, accessible to person with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.

25. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff injunctive relief; including an order to alter the Premises to make them readily accessible to, and useable by, individuals with disabilities to the extent required by ADA, and closing the Subject Facilities until the requisite modifications are completed.
